### Orangemen Take the First Steps to Secede From Great Britain With Monster Celebration

(By Associated Press.)  
BELFAST, July 10.—Few military honors were accorded by the Ulster volunteers to Sir Edward Carson, the Irish Unionist leader, when he arrived with the Marquis of Londonderry, Viscount Castlereagh, Walter Long and other Unionist members of parliament to attend the first meeting of the Ulster provisional government.  
The intentions of the provisional government have not been disclosed, but one object is an arrangement for the celebration of July 12th, "Orangemen's" day, in order to show the government and the people of Great Britain that nothing but absolute exclusion of Ulster from the operations of Irish home rule bill will satisfy.  
Major General Cecil Macready, commander of the military in the Belfast district, has been in conference with Premier Asquith regarding the situation. The police have been instructed to act with great care so as to give no excuse for an outbreak.  
The "provisional government" formed by the Ulster Unionists at the first meeting gave Sir Edward Carson a free hand to take whatever action he may think necessary in calling Ulster volunteers to arms. In his speech Sir Edward said the time had come for the loyalists of Ulster to translate their words into action, as something must be done to compel the British government to make up its mind. Ulster was eager for peace, but it was not going to accept peace with surrender.

### NEVADA CONVICT WANTED IN UTAH FOR A MURDER

IDENTIFIED BY PHOTOGRAPH AND DESCRIPTION FROM THE STATE POLICE.

SALT LAKE, July 10.—Frank De Pretto, alias Frank Depretto, suspected of being the man who murdered Julio Anselmo in this city, April 10, and one of the men who murdered Eugene Allen at the Highland Boy store in Bingham canyon, April 15, has been arrested at Thompson Falls, Mont., and Deputy Sheriff B. H. Seager left for the Montana city Saturday night to bring De Pretto back.

Sheriff Andrew Smith, Jr., received word of De Pretto's arrest Saturday afternoon in a telegram from Sheriff William Moser, of Thompson Falls. Peace officers have searched for De Pretto over the entire western part of the country.  
Anselmo was murdered by a highwayman at Fifth West and Third South streets. When the holdup had searched Anselmo and had taken his month's salary, Anselmo pleaded for the return of part of it, saying that his wife and little ones at home would suffer if the entire amount was taken. For answer the robber shot Anselmo in the abdomen, inflicting a mortal wound, from which he died in a local hospital following an operation.

Five days after the Anselmo murder, Eugene Allen was shot down by burglars in the Highland Boy store. Allen sought to prevent the robbers from ransacking the store and was shot three times by one of them. The burglars then fled to the hills and it is believed that later they came to this city.

Some days later the authorities got track of De Pretto. He has served time in the Nevada state prison and from that institution the picture was secured which was sent to all parts of the country and which was largely responsible for the man's arrest.
